

## INTRODUCTION

This CD-ROM provides the subset of the "APEC Energy Statistics" by the Energy Working Group, Asia-Pacific Economic Cooperation (APEC) and the data retrieving system.

It contains the energy balance tables and their variations as well as major economic indicators – GDP, population, etc. from 1980 to 2007.

The data series can be updated easily by connecting to the APEC Energy Database web site through the Internet with this system. You are recommended strongly to use the latest data series.

The "APEC Energy Statistics" online database is available at the web site: <http://www.ieej.or.jp/egeda/> while the publication is released by the APEC secretariat (<http://www.apec.org/>).

## LIMITED WARRANTY

IEEJ warrants that for a period of one year from the date of acquisition, the Software, if operated as directed, will substantially achieve the functionality described in the Documentation. IEEJ does not warrant, however, that your use of the Software will be uninterrupted or that the operation of the Software will be error-free or secure. In addition, the security mechanisms incorporated in the Software have inherent limitations, and you must determine whether the Software sufficiently meets your requirements.

IEEJ's sole liability for any breach of this warranty will be, in IEEJ's sole discretion:

- to repair or replace the Software
- to advise you how to achieve substantially the same functionality with the Software as described in the Documentation through a procedure different from that set forth in the Documentation

This is a limited warranty and it is the only warranty made by IEEJ. IEEJ makes no other express warranty and no warranty of noninfringement of third parties' rights. The duration of implied warranties, including without limitation, warranties of merchantability and of fitness for a particular purpose, is limited to the above limited warranty period. Some jurisdictions do not allow limitations on how long an implied warranty lasts, so limitations may not apply to you. No IEEJ agent and employee is authorized to make any modifications, extensions, or additions to this warranty.

If any modifications are made to the Software by you during the warranty period; if failure of the Software has resulted from accident, abuse or misapplication; or if you violate the terms of this Agreement, then this warranty will immediately be terminated. This warranty will not apply if the Software is used on or in conjunction with hardware or software other than the unmodified version of hardware and software with which the software was designed to be used as described in the Documentation. This warranty gives you specific legal rights and you may have other legal rights that vary by jurisdiction.
