## Part I Technology Development Promotion

<b>Chapter 1. Cluster .....</b>	<b>3</b>
1. Concept.....	3
2. Advanced Clusters.....	10
3. Korean Clusters .....	22
4. Policy Guidelines for Cluster Development .....	31
5. References.....	41
<b>Chapter 2. Technology Collaboration .....</b>	<b>43</b>
1. Introduction .....	43
2. The Nature of Technology Collaboration .....	49
3. Turning Technology into Business Value.....	57
4. How to Enhance SMEs' Technology Power .....	63
5. Discussion.....	82
6. Conclusion.....	82
7. References .....	83
<b>Chapter 3. Business Incubation .....</b>	<b>86</b>
1. Introduction .....	86
2. Related Theories, International Major Incubators & Policies at a Glance.....	89
3. Factor Analysis for Incubator Establishment.....	99
4. Case Studies on the Best Practice .....	105
5. Focal Points of Policy Making.....	108
6. Build Up Efficient & Effective Management Teams.....	111
7. Discussion.....	119
8. Case Study/Present .....	120
9. References .....	136
<b>Chapter 4. Research and Business Development .....</b>	<b>138</b>
1. Introduction .....	138
2. Introducing R&BD Programs including Korea .....	158
3. Case Studies on R&BD Programs .....	160
4. Focal Points of Policy Making for Successful R&BD Programs.....	184

5. Discussion Points: Sharing ideas among APEC members.....	185
6. Conclusions .....	187
7. References .....	189

## **Part II Financing Support Promotion**

### **Chapter 5. Financing Policy for Innovative SMEs ..... 199**

1. Introduction .....	199
2. Theoretical Background of Financial Subsidy Policies .....	203
3. Financing Policies: Country Studies and Comparison.....	210
4. Case Studies.....	232
5. Conclusion.....	238
6. References .....	240

### **Chapter 6. Technology Financing..... 242**

1. Introduction .....	242
2. Technology Financing (TF) - Status of SMEs .....	244
3. Technology Financing (TF) Systems and Policies .....	251
4. Experience in Korea .....	256
5. Policy Matters.....	269
6. Discussions .....	270
7. References .....	273

### **Chapter 7. Technology Evaluation ..... 278**

1. Introduction .....	278
2. Basic concept and definitions .....	279
3. Underlying hypothesis .....	282
4. Forecasting the business feasibility of technology .....	283
5. Technology Evaluation (TE) – Types and Functions .....	286
6. Technology Evaluation (TE) Systems .....	321
7. Policy Matters.....	324
8. Discussions .....	325
9. References .....	328

## **Part III Marketing Promotion**

<b>Chapter 8. Business Counseling.....</b>	<b>339</b>
1. Introduction.....	339
2. Introducing Existing Business Counseling Programs .....	342
3. Case Studies on Best & Failure Business Counseling Programs .....	346
4. Focal Points of Policy Making.....	385
5. Discussion Points.....	387
6. Conclusions.....	389
7. References.....	391
<b>Chapter 9. e-Business Policy Making for SMEs.....</b>	<b>398</b>
1. Background.....	398
2. Factor Analysis of Successful e-Business Policy .....	411
3. E-Business Policy Making.....	415
4. Focal Points of Policy Making.....	444
5. Lessons Learned .....	445
6. Discussion.....	446
7. References .....	446
<b>Chapter 10. Strategic Public Procurement .....</b>	<b>448</b>
1. Introduction .....	448
2. Theoretical Background of Strategic Procurement Policies .....	452
3. Public Procurement Policies: Country Studies .....	460
4. Cases of Procurement for Innovation .....	469
5. Conclusion .....	482
6. References .....	484

Fig 12 A Comprehensive Fishbone Char of Technology Gap.....	68
Fig 13 Sample of Technology Roadmap (A).....	70
Fig 14 Sample of Technology Roadmap (B).....	71

Fig 15 Communication & Integration for Different Opinions in Policy Making .....	72
Fig 16 Technology Push Model.....	72
Fig 17 Market Pull Model .....	73
Fig 18 Policies for fostering SMEs and new startups .....	76
Fig 19 Project Structure.....	78
Fig 20 R&D Programs for Industry-University Collaboration .....	78
Fig 21 Incubation System.....	80

### **Chapter 3. Business Incubation**

Fig 1 The profit vs. occupancy rate of ITRI Incubator .....	126
Fig 2 Phison Strategy & ITRI Incubation.....	127

### **Chapter 4. Research and Business Development**

Fig 1 R&BD Products of Yujin Robotics .....	162
---	-----

### **Chapter 5. Financing Policy for Innovative SMEs**

Fig 1 Financing Lifecycle and the Stages of SMEs Growth.....	205
Fig 2 US SBIC Program Procedure .....	213
Fig 3 Debt Financing by the Kinds of Credit.....	215
Fig 4 Typology of SME financing policies among 10 APEC member economies.....	232
Fig 5 Korean Technology Financing Process .....	238

### **Chapter 6. Technology Financing**

Fig 1 The “profits” and “value added” generated by technology based SMEs.....	245
Fig 2 Major Hurdles for SMEs’ Business (Questionnaires to SMEs) ('04. 5) .....	246
Fig 3 Main hurdles to be overcome for each growth stages of SMEs .....	246
Fig 4 Comprehensive countermeasure for enhancing SMEs’ competitiveness .....	247
Fig 5 Drivers of Technology Commercialization .....	248
Fig 6 SME policy directions for different countries .....	250
Fig 7 Typical example of revenue.vs.growth stage of SMEs .....	251
Fig. 8 Structure of laws relevant to SMEs .....	257
Fig 9 Vision and task of SME promotion policy in Korea .....	260
Fig 10 Current status of SMEs in Korea.....	261
Fig 11 KIBO (KOTEC) as a non-profit guarantee institution .....	265
Fig 12 Technology based credit guarantee operated by KIBO (KOTEC).....	268

Fig 13 Overall guarantee flow chart including technology based credit guarantee operated by KIBO .....	269
Fig 14 Technology (IP) evaluation and financing processes .....	271

## **Chapter 7. Technology Evaluation**

Fig 1 Role of technology evaluation.....	284
Fig 2 Drivers of Technology Commercialization .....	284
Fig 3 Technology valuation approaches .....	293
Fig 4 Cost approach.....	294
Fig 5 Income approach .....	294
Fig 6 Market approach.....	294
Fig 7 Flow of technology valuation.....	296
Fig 8 History of valuation.....	297
Fig 9 Technology Evaluation Methodologies.....	299
Fig 10 The estimated demand of technology evaluation in Korea .....	311
Fig 11 Main Directions of Restructuring “Technology Evaluation” .....	312
Fig 12 Flow of Technology Evaluation Certificate Process .....	313
Fig 13 Comprehensive countermeasure for enhancing SMEs’ competitiveness.....	314
Fig 14 Core criteria of Technology evaluation (Technology grade) .....	314
Fig 15 Core criteria of recent Technology Evaluation Certificate System.....	315
Fig 16 Problems in intangible assets evaluation.....	318
Fig 17 Techniques used in technology evaluation system construction .....	318
Fig 18 Structure of Model Technology Rating System .....	320
Fig 19 Technology (IP) evaluation and financing processes .....	321
Fig 20 Proposed Technology Evaluation Model .....	327

## **Chapter 8. Business Counseling**

Fig 1 The concept of the business counseling .....	340
Fig 2 The vision of coupon consulting system .....	343
Fig 3 The organizational structure .....	344
Fig 4 The program flow .....	345
Fig 5 The Management Training and Development Approach in SMEs.....	389

## **Chapter 9. e-Business Policy Making for SMEs**

Fig 1 The Framework of EB Policy for SME, EU.....	401
Fig 2 e-Japan Strategy .....	404
Fig 3 The Framework of e-Japan Project .....	404

Fig 4 e-Business Policy Progress of Korea.....	407
Fig 5 The Vision of e-Korea.....	407
Fig 6 IT839 Strategy of Korea.....	410
Fig 7 Background of e-Business Program .....	416
Fig 8 Background-Why e-Business? .....	417
Fig 9 The Role of SME in the Growth of the IT Industry in Chinese Taipei .....	418
Fig 10 Strategy—IT Industry as the Pilot Project.....	421
Fig 11 Project Architecture for Projects A, B, C, D and E.....	424
Fig 12 Project Scope of Projects A, B, C, D and E.....	424
Fig 13 Implementation Result of Project A and B.....	427
Fig 14 Implementation Result of Project C, D, and E .....	433
Fig 15 Policy Focus of IT Industry and RD.....	436
Fig 16 Implementation of Policy Measures(1/2) .....	439
Fig 17 Implementation of Policy Measures(2/2) .....	440
Fig 18 Vision of an e-Society in Chinese Taipei .....	442

## **Chapter 10. Strategic Public Procurement**

Fig 1 Procurement Procedures for Innovation.....	476
